THE PUBLIC.—THE SUBSCRIBER IS pleased to inform the public that his CHOLERA AND DIAURIREA MEDICINE anords more prompt relief in the various affections of the Bowels, and consequent ly more satisfaction to all who have used it, than any other Methe ne ever offered to the public. The following are among many testimonials of its efficacy: Dr. R. H. Woarsuscox—Dear Sir: 1 take much pleasure in adding my testimony to others in favor of your remedy for Howel Affections, &c., having so frequently experienced its beneficial results in my own case, as well as in many others to whom I have given it. I carried a bottle of it as soon think of traveling without money as without this remedy, and finding many among my acquaintances there who were suffering with various forms of blowel Affections, I gave it freely, and in NO INSTANCE did it fail to afford the MOST PROMPT AND DECIDED RELIEF, as it has done here. I congratulate you, and especially the public, on the discovery of a medicine which is better calculated to protect man-

kind and alleviate suffering, than any other ever brought This is to certify that, some weeks back, I was taken with a violent Diarrhea, which persisted for eight days. Being some sixty miles from home, I made use of all the remedies I could think of, but without affording any relief. On arriving at home, I was informed that Dr. R. H. Worthington had prepared a remedy for Cholera, &c., and was advised to use it. I did so, and to my astonishment, one single dose gave speedy and permanent relief, since which time I have used it frequently in my family; and in justice to the Doctor say, I consider it much the most calcable Mea-

icine I have used in an experience of twenty years Murfreesboro', N. C., Oct. 2, '54.

Dr. Worthington—Dear Sir: I take great pleasure in recommending your Cholera Medicine to the public, and I have tried several remedies put up for Cholera, &c., but have never found such happy results from any as from your invaluable remedy. I have such unbounded confidence in its efficacy, that I am unwilling and will not leave home without a supply with me; and I regard it as one of the most valuable discoveries of the age. Yours, truly, W. P. BEAMAN.

Windson, N. C., Sept. 19, '54. Dr. R. H. Worthington—Dear Sir: 1 have made some Dr. R. H. Worthington—Pear Sir: I have made some effort, and have succeeded in introducing your Medicine to the public, and I find it is taking very well indeed; and the result is, that I have nearly sold what you sent me. I therefore wish you would send me some more as soon as you can. * * I have not the slightest doubt but that this Medicine is the very best remedy out for the disease for which it is recommended. I hope you will soon send me a supply, as I would not like to get entirely out of it.

Years, truly,

GEORGE W. McGLAUGHON.

From the Mutfreesboro' Gazette. Mssrs, Enrous: In looking over the last number of the Gazette, I found a communication finds our friend, Mr. L. T. Spiers, recommending Dr. R. H. Worthington's Cholera Mixture to the public, for the cure of Diarrhosa, Dysenters, and other kindred diseases. Having experienced in my own case, the happy effects of its use, as well as other members of my family, I can safely say that I regard it as superior to any remedy we have ever used, in an experience of twenty years. I would, therefore, recommend it to every family, as an invaluable remedy, and every individual to procure a bottle and keep it by them in these times of cholera.

This is to certify that I have used Dr. R. H. Worthing-ton's Cholera Medicine in my family for the last four or five weeks, in several cases of Bowel Complaint, so common in our vicinity, with invariable success. One of the cases was that of a negro child, some four or five months old, who was so emaciated by the effects of the disease, that its life was nearly despaired of, when my wife happened to think that she would try the Cholera Medicine, and did so with complete success, in less than forty-eight hours. I am thoroughly of opinion that no family should be with-

Given under my hand, this 3d day of October, '54.

MURFREESBORO', N. C. Dr. R. H. Wormington: It affords us pleasure to say, that we have used your Cholera Diarrhea Medicine for the last twelve months, and have found it invariably successful, in relieving speedily the cases in which we have had occa-sion to use it. We entertain a high appreciation of its value, and have no hesitation in expressing the opinion, that it will prove to be a valuable family medicine.

QUESTION ARISES IN THE "CITY OF OAKS" A now, who sells the cheapest goods, but that trouble can be easily decided just by calling at the beautiful Store in Louger's new brick building occupied by JOS, SCHLOSS & BROTHER, who boast of their well selected stock for the Fall trade. They have brought on, in part 200 pair of the best quality of French and German Cassimere Pants, a few hundred different stiles of cloth, beaver, sattinet and other kinds of frock and sack over coats, an extensive variety of silk velvet vests, very superior quality, as well as silk, silk plush, satin, farmer's satin, down to Vests for 75 cents. The latest style of Talmas or short and long Cloaks, and everything else usually kept in a furnishing store. They pa ticularly call the attention of gentlemen to their best Merino English Shirts from \$1 25 up to \$1 75 which cannot be bought at such prices claewhere. All articles made to order in their manufactory in Baltimore warranted. Also, a fine stock of ladies goods not excelled by any other house in this City, embracing every article to meet the taste of the fair sex, from fine silk down to cotton cloth for 5 cents a yard.

As our partner, Mr. Jos. Schloss, has sojourned in the Northern Cities for four months in succession has availed himself of all advantages of the northern market as well as any wholesale house in the Union. They can and will, and have done it already, undersell any of their opponents. Remember and call two doors above E. L. Harding's.

Raleigh, October 12, 1854. SILAS BURNS, PROPRIETOR, BUILDER OF STEAM ENGINES AND GENERAL MACHINIST. The above establishment has been in successful operation about one year, and has turned out some of the best STEAM ENGINES and SAW MILLS that have ever operated in this

or any other State.
Orders are solicited for Steam Engines and Saw Mills, Mill Gearing and Machinery of every discription to be completed during the Summer and Fall. The improved condition of the Raleigh and Gaston Rail Road will enable me to fill with dispatch and punctuality all orders after the 1st of

The following certificate will show the character of the work executed at the above Works: "AUDRY, Cumberland, May 15, 1852.

"Mr. Shas Burss—Dear Ser: Our Engine and Mills, made at your shops, have been at work nearly two months, and fully meet our expectations. The Exgine, as to fixish and STRENGTH, PERFORMANCE and DURABILITY, is inferior to none in the State of the same class made here or elsewhere. The Mills run with a smoothness and speed truly astonishing. In ordinary sawing we cut in a common sized log, I foot, in 34, seconds or 16 feet per minute. We have run, however, through an 18 feet log in 52 seconds or at the rate of 33 feet per minute, by running to the top speed we fully believe we can cut 40 feet per minute. The only objection we have heard urged is, it takes too many hands to haul up logs and

heard urged is, it takes out the carry away lumber. Yours, &c.,

JONES & BARBEE."
